

2024 Mississippi Science and Engineering Fairs Region V Student Registration

This form serves as registration for the regional fair. *It is the responsibility of the student entering the project to complete it and any required ISEF forms.*

Each student submission must be accompanied by a \$30 registration fee for participants. Unless otherwise permitted, schools must submit a single combined payment for all entries. The single check should be mailed to: *Mailstop 9544, Mississippi. State, MS 39762.* Schools should provide instruction on how to submit payment to parents.

Registration Information: *Please print or type ALL information in this section.*

Project Title: _____

Student Name: _____

Grade: _____

Gender: Male _____, Female _____, or prefer not to say _____

Mailing Address _____ City _____ Zip code _____

School Name: _____

Is this a continuation of a previous year's project? Yes ___ No ___ If so, how many years of work? _____

List all hazardous/dangerous chemicals, activities, or devices that were used. This includes items from sharp objects, boiling water, fire, microorganisms, chemicals exposure of any kind.

Describe the safety precautions and procedures that were used to reduce the risks. How did you stay safe when using the items listed above?

Research Category:

- | | |
|--|---|
| <input type="checkbox"/> 0100 Behavioral & Social Sciences | <input type="checkbox"/> 0200 Biochemistry |
| <input type="checkbox"/> 0300 Inorganic Chemistry | <input type="checkbox"/> 0400 Organic Chemistry |
| <input type="checkbox"/> 0500 Earth & Environmental Science | <input type="checkbox"/> 0600 Animal Sciences |
| <input type="checkbox"/> 0700 Biomedicine and Health | <input type="checkbox"/> 0800 Microbiology |
| <input type="checkbox"/> 0900 Physics & Astronomy | <input type="checkbox"/> 1000 Engineering Mechanics |
| <input type="checkbox"/> 1100 Mathematics and Systems Software | <input type="checkbox"/> 1200 Robotics & Intelligent Machines |
| <input type="checkbox"/> 1300 Plant Sciences | |

Registration Certifications:

Parent Certification: Signature required for ALL Exhibitors. This is to certify that as the parent or legal guardian of the above-indicated student, I give my permission for his/her participation in the Mississippi Science and Engineering Fair program. I further certify that I release any and every liability, claim, right of action of any kind or nature, which my child or legal representative may have for any and all bodily or personal injuries or property damages or any other damages resulting therefrom, whether caused by negligence or other acts or missions or releases or otherwise which might occur during participation in the MSEF programs, any host institution(s), any regional or state fair sponsor(s), or the representative(s) thereof, and the management or owner(s) of any physical facility in which any fair is conducted.

Parent or Legal Guardian's Signature _____ **Email** _____

Key Teacher Certification: I have reviewed the form(s) for both correctness and completeness. I further certify that (1) this project follows all proper procedures involving humans and/or vertebrates, (2) that school officials pre-approved the questionnaire(s) and that I and others in the school take full legal and ethical responsibility for both the questionnaire and its use in human research, and (3) that the research behind the project and display represent the work of this student. I therefore certify this registration to be a complete, authorized entry in the current year's Regional MSEF Fair.

Key Teacher's Signature _____ **Date** _____

Complete the abstract on the reverse side of this page or attach the completed abstract to this registration document.

2024 Mississippi Science and Engineering Fairs Region V Abstract Form

Abstracts can range from **25 - 250** words.

Please provide a hand written or typed paragraph about what you did for your experiment. Be sure to use good penmanship and complete sentences. Include: *a) The purpose of your experiment or the question (why you did it), b) Your procedure (what you did), c) Tell us about your data you collected, d) What was your conclusion (was your hypothesis supported?)*
